

Colleagues,

Key to a successful career is to recognize windows of opportunity and to take full advantage of those available to you. These include unique networking opportunities offered by professional societies to establish recognition and constructive professional relationships. Of particular interest to students and early career professionals are those opportunities to exercise and demonstrate leadership capabilities. Such positions are always excellent additions to anyone's resume/CV.

This is to announce another window of opportunity. The Washington DC Chapter of the Acoustical Society of America will hold its yearly planning meeting to lay out activities for 2010 and to elect members to the following organizational positions.

- * President
- * Vice-President
- * Secretary
- * Treasurer
- * Chair (Liaison to national ASA)
- * Vice-Chair (Liaison to national ASA)
- * Webmaster
- * WAS Liaison
- * AIP Liaison
- * IEEE Liaison
- * Coordinator High School Demonstrations
- * Coordinator University Student Awards Activities
- * Coordinator Technical Tours

All positions are open for 2010 and preference will be given to students and new members willing and capable of serving. All ideas for activities, speakers, venues, and topics are welcomed. There is no chapter membership or attendance fee. Acoustical Society membership is not required to attend. Complimentary refreshments will be provided. Feel free to forward this announcement and invite others to join us!

When:

Wednesday, January 20th, 2010 @ 6:30PM

Where:

The Johns Hopkins University Applied Physics Laboratory
Building 1, Howard County Room 1
11100 Johns Hopkins Rd.
Laurel , MD 20723-6099
